

Pruebas Primera Y Segunda Iteración (Navegación)

```
mario@HP-PC:~/Documents/Universidad/Inge1/PAT0/psychopato$ bin/behav features
@javascript
Feature: Administrator
  In order to add or modify products
  As the administrator
  I need to be able to go to the products administration page

  Scenario: Going to product administration page # features/administrarProductos.feature:7
    Given I am on "/" # FeatureContext::visit()
    And I follow "Administración de productos" # FeatureContext::clickLink()
    Then I should see "Añadir producto" # FeatureContext::assertPageContainsText()

@javascript
Feature: Administrator
  In order to add or modify users
  As the administrator
  I need to be able to go to the users administration page

  Scenario: Going to users administration page # features/administrarUsuarios.feature:7
    Given I am on "/" # FeatureContext::visit()
    And I follow "Administración de usuarios" # FeatureContext::clickLink()
    Then I should see "Añadir usuario" # FeatureContext::assertPageContainsText()

@javascript
Feature: Search
  In order to see the shop
  As a website user
  I need to be able to see a the index page

  Scenario: Searching for a page that does exist # features/inicio.feature:7
    Given I am on "/" # FeatureContext::visit()
    Then I should see "Inicio" # FeatureContext::assertPageContainsText()

@javascript
Feature: Search
  In order to see physical videogames
  As a website user
  I need to be able to go to see the physical videogames

  Scenario: Displaying physical videogames # features/juegosFisicos.feature:7
    Given I am on "/" # FeatureContext::visit()
    And I follow "Productos" # FeatureContext::clickLink()
```

```

@javascript
Feature: Search
  In order to see physical videogames
  As a website user
  I need to be able to go to see the physical videogames

  Scenario: Displaying physical videogames
    Given I am on "/"
    And I follow "Productos"
    And I follow "Juegos físicos"
    Then I should see "Juegos físicos"
    # features/juegosFisicos.feature:7
    # FeatureContext::visit()
    # FeatureContext::clickLink()
    # FeatureContext::clickLink()
    # FeatureContext::assertPageContainsText()

@javascript
Feature: User
  In order to buy
  As the user
  I need to be able to login

  Scenario: Going to product login page
    Given I am on "/"
    And I follow "Iniciar sesión"
    Then I should see "Acceder a la cuenta"
    # features/login.feature:7
    # FeatureContext::visit()
    # FeatureContext::clickLink()
    # FeatureContext::assertPageContainsText()
    The text "Acceder a la cuenta" was not found anywhere in the text of the current page.

@javascript
Feature: Search
  In order to see offers
  As a website user
  I need to be able to go to the offers page
